

YOU BUSINESS MEN

Have you often admired the luck of these young fellows who seem to go into a clothing store and get fitted so perfectly in no time? Have you wished you could do it, and concluded with a sigh, that the only thing for you was the slow, puttering, high priced tailor? You're wrong, all wrong, we've provided for you.

You'll find here a fine showing of "Conservative Clothes," well cut, shapely, comfortable, beautifully tailored. See them now. All prices...

You can trust your records to a fire-resisting Safe

And you get maximum filing capacity in a minimum of space if it's an

Art Metal Safe

Double steel walls, asbestos-lined, protect your papers from fire, water and vermin. Valuable records you can't insure are kept secure in this steel stronghold.

The Art Metal safe weighs about one-half less than an iron safe of the same outer size—making it twice as easy for you to move. You can arrange the interior to fit your business, changing drawers, shelves and partitions as your requirements change.

This Art Metal safe is a leading example of the leadership goods we offer you.

One of our Factory Representatives will be in Maysville in a few days and if there is any filing equipment that you are interested in he will be glad to give you the benefit of suggestions that 29 years of experience in the filing business could give you. There is no obligation on your part. Just drop us a postal at 2003 Union Central Building, Cincinnati, Ohio.
